

Eldy, bringing computer to the elderly

ing. Enrico Neri - CEO Vegan Solutions

July, 17th 2008

ing. Enrico Neri enrico.neri@vegans.it skype enriconeri

Communicating is good.

email, videoconf, chat allow <u>us</u> to communicate realtime and in full experience.

88% of 55+ can't switch on a computer.{ITALY}
Solitude is bad.

Eldy is about bringing 55+ to use computer.

Tutti in rete appassionatamente!

{ All plugged in, with passion }

piazza

natalinabortolami: certo sarà lunga la guarigione ade

adelaide: ciao un abbraccio e a presto

adelaide: netalina

natalinabortolami: ho appena sentita per il tel e mi a detto che

suo pc non funsionava bene a scrivere ade

natalinabortolami: ciao ade tanti auguri per tua mamma

quido: riciao

natalinabortolami: adesso devo andare via anchio ci sentiremo

natalinabortolami: ciao guidooooooooooooooooo

quido: ciao nat

natalinabortolami: mi dispiace giudo che devo l'asciarti anchio

guido: tutti zitti?

guido: non fà niente nat, forse è meglio così. ho un sacco da

fare con il pc

natalinabortolami: mimma non funsiona il pc e no scrive che

va sempre giù

michele.ta: ciao alla piazza

conferma

BOZZOLO

Eldy* allows user to write directly to Public Administration office, or Hospital with easy interface, profiled, even without knowing the address.

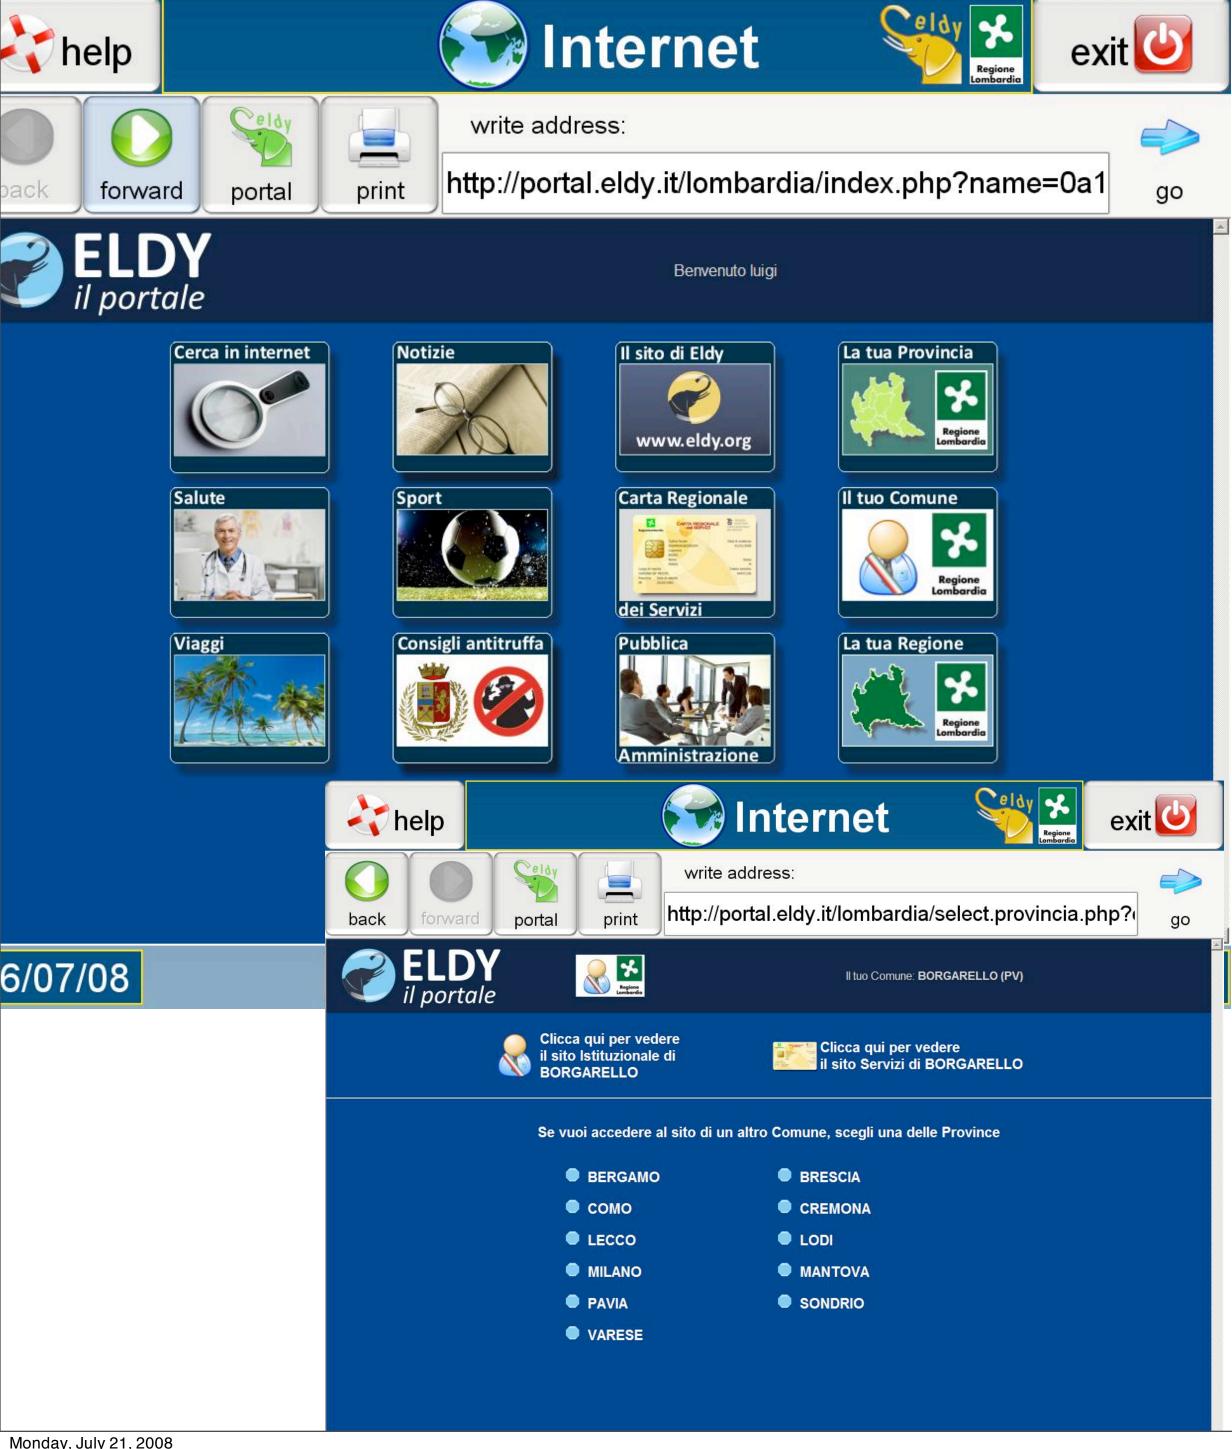

ASL BERGAMO

Eldy* had been added with smart card library to allow digital signature of email attachment (Lombardia) or secure connection (Friuli): when user identity is granted user can access all services (e.g. booking a visit)

Eldy* provide easy, profiled and instant access to Public Administration websites: user is taking to his Province website, or his Municipality website.

... and of course graphics and language

Eldy allows user to write directly to Public Administration office, or Hospital with easy interface, even without knowing the address.

Eldy allows to access Public Administration website, without using google.

Eldy allows to use of CRS and Public Administration Smart Card, that are key in the health sector. e.g. to book a visit or to digitally sign a document.

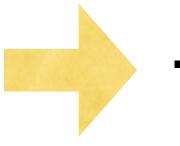

Eldy allows to **integrate Public services** into a easy interface (e.g. Regione FVG email, doctor visit booking)

Eldy can help **not only elderly, but also immigrants, illiterate etc to develop a good relationship with technology**

- Training and experience

- Ongoing developments

TRAINING with ELDY

Eldy training is very effective

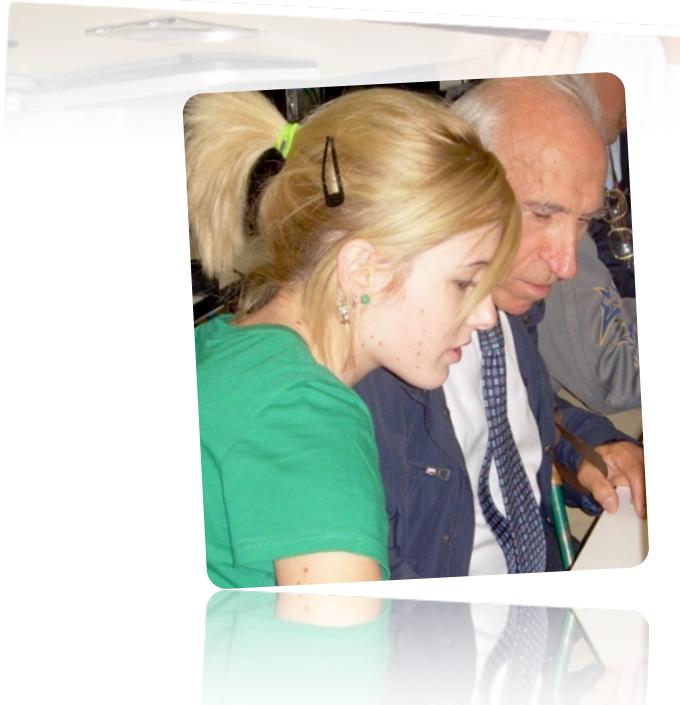

standard Eldy training: 3 hours writing email, chatting, browsing after 3 hours

Eldy semplifies explanations: no file, no document, no nested menus.

after first training, user finds support online and Community help each other and keep on practising.

TRAINING -20*55+

project: **-20*55+**

in Lombardia Region under 20 are going to teach elderly the use of Eldy and get school credits from that.

bridge within generations ("Eldy Angels")
